About Gyanotsav

GYANOTSAV 2026 – A Journey of Achievements

Annual Cultural Function, encouraging students to excel not only in academics but also in extracurricular and co-curricular activities. Gyanotsav serves as a catalyst for nurturing innovation, discipline, **Gyanotsav 2026** is a grand academic, technical, cultural, and sports festival organized by Government Polytechnics and ITI Run By AICCEDs Under Mentorship of **Dr. Subodh Kant Singh Director PPP Cell AICCEDs** to celebrate **knowledge, innovation, talent, and holistic student development**. The event brings together students, faculty, and stakeholders on one platform to showcase achievements, creativity, leadership, and teamwork.

The festival features a vibrant blend of **Technical Fest, Sports Meet, and** confidence, and social responsibility among students.

Objectives of Gyanotsav

- To promote technical skills, innovation, and problem-solving abilities
- To encourage physical fitness, sportsmanship, and teamwork
- To provide a platform for cultural expression and creative talent
- To strengthen leadership, confidence, and personality development
- To celebrate institutional achievements and academic excellence

Key Highlights

- Technical competitions, exhibitions, and project showcases
- Sports events promoting fitness and unity
- Cultural programs reflecting tradition, creativity, and diversity
- Participation of students, faculty members, and dignitaries
- Inspiration from visionary educationists and institutional leaders

Theme

“A Journey of Achievements” – reflecting continuous growth, dedication, and excellence in technical education.

Gyanotsav 2026 stands as a symbol of **learning beyond classrooms**, fostering all-round development and preparing students to meet future challenges with confidence and competence.

Our Inspiration

Late Prof. Bajrang Tripathi
Founder AICCEDs

Late Prof. Bajrang Tripathi was a visionary educationist whose life was devoted to empowering society through quality education, discipline, and values. His unwavering commitment to academic excellence and institutional development laid a strong foundation for nurturing generations of learners and leaders. He believed that true education goes beyond classrooms—shaping character, inspiring innovation, and instilling a sense of responsibility towards society and the nation. His ideals continue to guide our mission of fostering knowledge, creativity, and holistic development.

Gyanotsav 2026 is a humble tribute to his enduring legacy. His vision lives on in every initiative that encourages excellence, innovation, and service, inspiring students and educators to strive for higher goals and meaningful achievements.

His guidance remains our strength.

His values continue to inspire our journey.

Message of Excellence & Innovation:

Gyanotsav 2026 stands as a celebration of excellence, innovation, and holistic development in technical education. It reflects our collective commitment to nurturing young minds with knowledge, skills, creativity, and values essential for building a progressive and self-reliant nation.

Through a vibrant blend of technical activities, sports, and cultural programs, Gyanotsav provides a dynamic platform for students to explore innovation, demonstrate leadership, and transform ideas into impactful solutions. The festival encourages a spirit of inquiry, teamwork, discipline, and confidence—qualities that define future-ready professionals.

Inspired by visionary leadership and guided by academic excellence, Gyanotsav 2026 reaffirms our dedication to fostering innovation-driven learning and empowering students to meet global challenges with competence, integrity, and purpose.

Together, we celebrate achievement, inspire innovation, and shape the leaders of tomorrow.

Dr. Subodh Kant Singh

Director PPP Polytechnic and ITI
